

Welcome Back!

Class of 2021

Celebrate Efforts

The N-Level is a culmination of years of hard work and perseverance. Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome! REALIZE THAT YOU ARE NOT ALONE, THAT WE ARE IN THIS TOGETHER AND MOST IMPORTANTLY THAT THERE IS HOPE.

Think Opportunities

As you await your GCE N-Level results, there are some possibilities:

Many pathways and opportunities!

- You are happy that your results meet your expectations,
- You are overjoyed that your results exceed your expectations, or
- □ You are worried/upset because your results fall short of your expectations.

Remember that everyone's learning journey is different but we can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

• Stop any unhelpful thoughts or actions that would make you more upset.

Stop

Think

- Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.
- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is just one part of your life journey and not the destination.
- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

Having difficult emotions during a stressful and uncertain period is normal.

Keep a lookout for some of these signs in your peers or yourself. Deliberately avoiding others

Increased irritability, restlessness, agitation, stress and anxiety

Sending or posting moody messages on social media

Talking about death or dying

Reacting differently or gradually losing interest in things they used to like

Eating more than usual or having a much reduced appetite

Sleep pattern changes with difficulty falling asleep or oversleeping

Slowing down of energy levels

If you notice any of these signs in yourself or your friends, have a chat with your school counsellor or teacher Or contact SOS 24-hour hotline at **1800-221-4444**

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress. You can support them in the following ways:

Calm them down

"Are you ok? Calm down, take a few deep breaths."

Hear them out

"I am here to listen to you." or "I am here for you."

Empathise with them

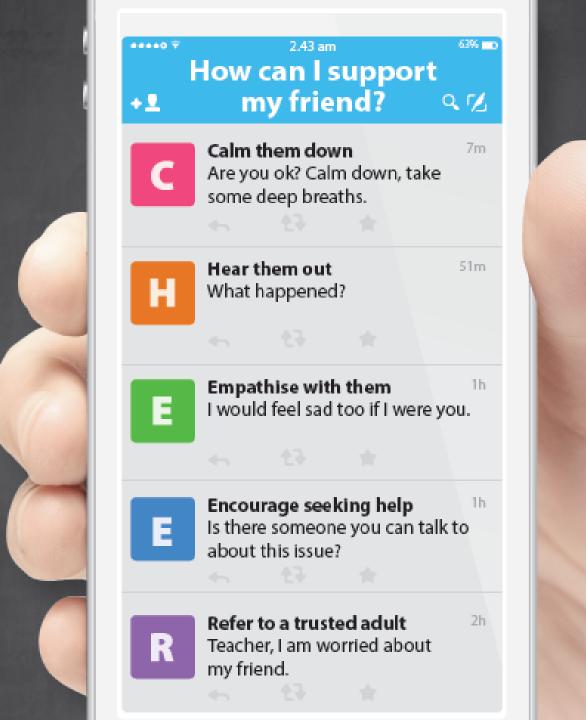

"It sounds like you are disappointed." or "It seems like this is a difficult time for you."

Encourage seeking help

"Thanks for sharing. Why don't we speak with a trusted adult who can help?"

Refer your friend to a trusted adult

"Let's talk to our teacher or our School Counsellor so they can better support you. Do share your feelings with your parents/guardians too. Would you like me to accompany you?"

Help is readily available for you.

Applying for PFP/DPP

All PFP-bound students are required to:
attend Sec 5N(A) till 28 Jan 2022

- apply for PFP in Jan 2022 upon release of GCE O-level results
- Students who are interested to apply for DPP only:
 - Apply from 17 Dec to 21 Dec 2021
 - If DPP application is successful, there is no need to return to Sec 5N(A)

Can students apply for both the PFP & DPP at the same time?

- Yes. However, if the student is offered a place in both the PFP and DPP, he/she may only accept one course offer. Students who accept both offers will have both offers voided.
- If the student has already accepted his/her DPP offer by 4 Jan 2022, the school will contact him/her if he/she is eligible for PFP and the collection of the PFP eligibility form, after the release of the GCE O-Level results. If the student decides to apply for and accepts his/her PFP offer in January, he/she will need to apply for withdrawal from the DPP course. Applicant can apply for refund of his/her DPP enrolment fees, subject to ITE's approval.

Can students apply for both the PFP & DPP at the same time?

One option for Secondary 4 Normal (Academic) students who are interested in both the PFP and DPP is to **first progress to Secondary 5** and **then apply for both the PFP and DPP** upon release of the GCE O-Level examination results in January.
